Edits refer to 02-007r2. Page and line numbers are displayed in the margin. Absent other instructions, a page and line number or line number range implies all of the indicated text is to be replaced by associated text, while a page and line number followed by + (-) indicates that associated text is to be inserted after (before) the indicated line. Remarks are noted in the margin, or appear between [and] in the text.

[We only use “which” in items (3) and (7). We manage to get by without it in the other nine items. Editor: Remove “which” from items (3) and (7).] xiii
