Subject: Editorial comments on Section 12
From: Van Snyder

1 Edits

Edits refer to 03-007. Page and line numbers are displayed in the margin. Absent other instructions, a page and line number or line number range implies all of the indicated text is to be replaced by associated text, while a page and line number followed by + (-) indicates that associated text is to be inserted after (before) the indicated line. Remarks are noted in the margin, or appear between [and] in the text.

[We already have constraint C1210 that says an IMPORT statement can only appear in an interface body. Editor: "Within an interface bodu, if" ⇒ "If".] 262:8
