Subject: Editorial comments on Section 13
From: Van Snyder

1 Edits

Edits refer to 03-007. Page and line numbers are displayed in the margin. Absent other instructions, a page and line number or line number range implies all of the indicated text is to be replaced by associated text, while a page and line number followed by + (-) indicates that associated text is to be inserted after (before) the indicated line. Remarks are noted in the margin, or appear between [and] in the text.

[This is a half-truth. Editor: Insert "or as a target in a procedure pointer assignment statement" after 302:1
"argument". "market" ⇒ "marked".]
