Subject: Issue 268
From: Van Snyder

1 Introduction

The editor finds the placement of two constraints confusing. The proposed repair is to move two syntax rules, instead.

2 Edits

Edits refer to 00-007r1. Page and line numbers are displayed in the margin. Absent other instructions, a page and line number or line number range implies all of the indicated text is to be replaced by immediately following text, while a page and line number followed by + indicates that immediately following text is to be inserted after the indicated line. Remarks for the editor are noted in the margin, or appear between [and] in the text.
