Subject: Issue 267
From: Van Snyder

1 Introduction

Issue 267 is concerned with the question whether an entire structure is required to be defined if it is an operand.

2 Edits

Edits refer to 00-007r2. Page and line numbers are displayed in the margin. Absent other instructions, a page and line number or line number range implies all of the indicated text is to be replaced by immediately following text, while a page and line number followed by + indicates that immediately following text is to be inserted after the indicated line. Remarks for the editor are noted in the margin, or appear between [and] in the text.

[Editor: After "When" insert "an ultimate component of". Replace "all of the components" by "either directly or as a consequence of reference to the structure, it".] 120:26

[Editor: Delete "The 3rd para ... writing this up" – the first three paragraphs and the first sentence of the fourth paragraph – of issue 267.] 121:3-17
