1 Introduction

These problems are not addressed by any of the editor's unresolved issues.

2 Edits

Edits refer to 99-007r2. Page and line numbers are displayed in the margin. Absent other instructions, a page and line number or line number range implies all of the indicated text is to be replaced by immediately following text, while a page and line number followed by + indicates that immediately following text is to be inserted after the indicated line. Remarks for the editor are noted in the margin, or appear between [and] in the text.

Replace "with the same shape." by "with the same type parameters. If it is an array, it is allocated with the same bounds." 153:42

If type parameters of a function result are deferred, which parameters are deferred is a characteristic. 262:29+
