Subject: Issue 121
From: Van Snyder

1 Discussion

Issue 121 expresses concern about a forward reference. As a consequence of moving the definition of the PROCEDURE statement from chapter 5 to chapter 12, the reference is now a backward reference, and to within the same chapter. The issue is now moot.

Edits refer to 99-007r2. Page and line numbers are displayed in the margin. Absent other instructions, a page and line number or line number range implies all of the indicated text is to be replaced by immediately following text, while a page and line number followed by + indicates that immediately following text is to be inserted after the indicated line. Remarks for the editor are noted in the margin, or appear between [and] in the text.
